PROPERTY DESCRIPTION

Motivated sellers have outgrown this beautiful pool home located in the country but city close.

This fantastic home is offered at a great price and has all the upgrades. Built in 2004, this home has tiled floors, high ceilings, arched detail and more. The kitchen offers a breakfast area with baywindow overlooking the pool, wood cabinets and step up breakfast bar. The living/great room is spacious with plant shelves and large sliding glass doors opening to the lanai. The dining room is separated by arched dividers. The split floor plan has a large 17x13 master suite with a tray ceiling and his and her closets. The master bath features a glass enclosed shower, garden tub, vanity and compartment toilet. The second and third bedrooms are large and separated by a guest bathroom. A nice feature is a bonus room/office located off the breakfast area. This 10x12 room also has an outside entry. The laundry room is extra large with sink and storage cabinet. The large screened lanai has a nice sized propane heated pool and spa. In addition this home boasts a generator that goes on automatically if the power goes out. The large front and backyard is a great place to play. This home has all the feel of living in the country but is close to the YMCA, ball fields and town. This is a must see at an affordable price.
